PROVERBS 25 (25) — "AS COLD WATERS TO A THIRSTY SOUL, SO IS GOOD NEWS FROM A FAR COUNTRY"

Greetings in the Name of the Lord!

We have good reports from the Philippines. The Incorporation of our Organization there has been finalized with the Securities and Exchange Commission. The Philippine Government has accepted our incorporation, giving us legal rights as a church organization.

Rev. and Sister Ashmore and Jerry are doing great!

There are approximately forty churches now affiliated with our organization there. Pray for Rev. Ashmore as he labors busily for the Lord.

THE EASTERN DIVISION

Rev. Gaylord brings these reports:

The churches are growing. Souls are being saved and filled with the Holy Ghost. Our pastors and directors are encouraged with what God is doing.

Rev. D. Armer and his wife are now laboring at Ft. Campbell Kentucky Serviceman's Home and Church as pastor and director. Bro. Armer is thrilled with the challenge for the souls of men in this area - pray for them!

Rev. and Sis. Gaylord have just completed a revival in Augusta. Souls were saved and added to the church. Saints were encouraged and challenged to work harder for the Lord. Rev. and Sis. Taylor are laboring in Augusta for the Lord, and God is giving an increase.

GERMANY

Rev. and Sis. Rodrigues have moved into the new home in Mainz. Their address:

*The Father's House

Congratulations to Pastor Kinson and his new bride from Jennings, Louisiana.

We are now in preparation for the joint Conference of the Eastern and Central Divisions here at the Bible College in St. Louis. Already the Lord has begun to move as folks begin to arrive.

We eagerly are awaiting the arrival of the Brethren.
